

Bells Aimed At All My Head

	intro		intro	
	verse	She left me by the stairs	verse	She came Back to me
		She left me with my roses A		With all her wet Blonde hair A
		in my hand		she started to kiss
		She ran away from me		l opened my hand down
		She ran so fast in the rain Λ		The roses in my hand A
		through all those trees		fell on the ground
	chorus	Cause I'd Got an empty space ^	chorus	And I had this bunch of roses 1
		deep in my heart		at my feet
		And I'd never done it before A		And I had this kind of girlfriend A
		for anyone		kissing me
		One, deep		You, me and nothing else
		Deep in my heart		·
		-	intro X2	And nothing else
	intro			And nothing
				And nothing
	verse	She told me she was scared		And nothing else
		She told me she had thought A		
		of me as a friend	outro	
		She thought it was the same Λ		
		for me		
		She had fallen in love with me ,		
		But she changed		
	chorus	And I had this bunch of roses 1		
		in my hand		
		I'd never wanted to feel what ^		
		l felt		
		Bells aimed at all my head
